JUSTQRO is an alliance between JUSTFAIRS (ALUZ Soluciones Integrales S. L.) and Art Week Querétaro, promoted by Impulso Galería.

THE FAIR

# Contemporary art is coming to Querétaro. And it's the real thing.

JUSTQRO is Querétaro's new international contemporary art fair. Behind it is the JUSTMAD team, with 17 years of running fairs in Madrid, Lisbon and Miami.

The format is Solo Shows and Duo Projects: each gallery brings one or two artists and a project made for the fair. Take your time, discover new artists and, if a piece wins you over, take it home.
